

We are prayerfully asking you to make a gift that is significant to you – probably the largest gift you have ever made to any organization (outside of your church) for any project.

This gift should be over-and-above your regular giving and over a certain period of time. We are going to ask others for the same level of significance because we believe with our whole being that this kind of financial sacrifice is worth it – for the future generations of young people in the Greater Kalamazoo area.

Significant gifts to capital campaigns are often from assets, not your checkbook, like:

- Appreciated Real Estate
- Publicly Traded Securities
- Personal Property (Boats, RVs, Autos, Antiques, Artwork, Jewelry, etc.)
- Paid-Up Life Insurance Policies
- Gifts-In-Kind for specific construction materials

**Pick an amount.
Pray about that amount.
Listen for God's leading.
Leave room for faith.**

"When I give by reason, I look at what I possess... I figure out what is in the bank... what is reasonable. And based on that rational assessment, I commit. It takes no great step of faith to give by reason.

However, the Bible says, 'Without faith, it is impossible to please God,' ...God doesn't want our money, and doesn't need our money. He wants what it represents, which is our love and faith and trust and surrender. He wants us to pray, 'Lord, what do You want me to give?' This will produce a gift that God defines, and it becomes an act of worship, not an act of reason."

– Rick Warren
